2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutrition information available upon request.

We have made an effort to provide accurate nutritional information but deviations can occur due to availability of ingredients, substitutions, and the hand-crafted nature of most items.

We have prepared this menu based on the most current information available from our suppliers and their stated absence of gluten within these items. While we use caution in preparing our gluten-sensitive menu items, our kitchen is not gluten-free. Since our dishes are prepared-to-order, during normal kitchen operations, we cannot guarantee that cross-contamination with foods containing gluten will not occur. We encourage you to carefully consider your dining choices and your individual dietary needs when dining with us. When placing your order, please let your server know that you are ordering a gluten-sensitive menu item. NOTICE * These items contain raw or undercooked meats, poultry, seafood, mollusk or eggs and consuming them may increase the risk of foodborne illness. Prime Rib available after 4pm.
